THIS STATEMENT is the best we have ever issued. We ask you to read it carefully, and when you have done so,

You will conclude from the steady growth of our deposits that we have the confidence of the public; from the amount of cash on hand and in bank, that we are operating along conservative lines; from the amount of our net profits that we are making money for our stockholders.

In other words we are caring for the business entrusted to us, honestly, safely, and profitably. Can anything further be asked or desired? If you are not already a depositor with us, we invite you to become one with the assurance that these same methods will be applied to your business.

A. WALTER BURTON, Cashier.

Would you pay out your good money for a buggy simply because the name on it sounds like that of Delker Bros. the buggy that has given so many of your neighbors such good and faithful service? Remember that the buggy that has made the name Delker so famous is—
